

Annapolis Park Child Development Center

"Inspiring Learning, Laughter & Love in the Name of the Lord"

Permission to Record and Take Photos

The Annapolis Park Child Development Center serves as a teacher-training setting for students obtaining higher education degrees in Early Childhood Development. We are committed to providing the best possible care for children, as well as training teachers/students in early childhood education.

Purpose:

- Evaluate the staff
- Observe children's responses to different teaching methods
- Video's and display during programs i.e. graduation, buddy day science fair etc.
- May use for marketing material i.e. Bulletin Boards/graduation video's/our Web site/Brochures etc.

As always, our intent is to continue to provide the finest quality care for your child and children who will be served in the future. In order for us to utilize such films, photographs, audiotapes, or video tapes of children's activities, we must have your consent. Please read the following and, if you agree, sign and return to us.

I have read the above statement and understand and consent to the use of film, photographs, audiotapes, and/ or videotapes of my child while at the Annapolis Park Child Development Center. I understand that these will be used for educational purposes and the production of educational materials.
